Larry Wagner reported that he attended the Grassland Alliance Summit is March 18th-19th. He reported that there was a very good turnout, with right around 300 attendees. Many of these attendees were from across the country. Larry felt that the speakers were very informative and was encouraged by the meeting.

Zach Zimprich reported that he had finished up spraying Princep/Goal. He informed the Board that over the past month he had cut cedars and was currently doing site preparations for tree sites for the upcoming planting season. Zach reported that it looks like the district will have roughly 70 acres of CRP trees to plant, which if approved, will bring the total tree acreage to over 100. Zach also shared that he has a handful of seasonal workers lined up and will interview a couple more in the upcoming week.

Meeting was adjourned at 7:26 by Larry
